Sir:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56, it is respectfully requested that the present Supplemental Information Disclosure Statement be entered and the documents listed on the enclosed Form PTO-1449 be considered by the Examiner and made of record in the present case. In accordance with 37 C.F.R. §§ 1.97(g),(h), this Supplemental Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not to be construed to be an admission that the information cited is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b).
